

WHAT IS THE SIGN OF A GOOD DECISION?®

It's a company that helps women before, during and after their fight against breast cancer.

“Breast cancer” is one phrase you never want to hear. But it’s good to know MassMutual can help protect you financially, whether you’ve had it in the past or are diagnosed with it in the future. We’ve been providing insurance coverage for breast cancer survivors since 1964, frequently updating our underwriting guidelines to look more favorably on insuring cancer survivors.¹ Plus, we regularly contribute to breast cancer research, prevention and treatment. We’re a strong, stable mutual company owned by our policyholders. Looking out for them is a good decision. **To learn more about our support, visit [MassMutual.com/Women](https://www.massmutual.com/Women)**
