

MassMutual Announces Two Mutual Fund Closures

The Board of Trustees for the MassMutual Premier Funds has approved plans to close and liquidate two mutual funds from the MassMutual Premier Funds family on or about July 13, 2012. The two mutual funds are MassMutual Premier Discovery Value Fund and MassMutual Premier Main Street Small/Mid Cap Fund. The Trustees made this decision because the Funds did not attract sufficient investor assets to sustain their viability.

On Friday, October 28, MassMutual filed prospectus supplements pertaining to the Fund closures with the U.S. Securities and Exchange Commission. MassMutual will communicate directly with clients who are currently invested in one or all of these Funds about possible courses of action they may wish to take either prior to or when the Funds close. The MassMutual Premier Funds are available to retirement investors mainly through MassMutual-administered retirement plans.

Retirement plan participants may access a prospectus and summary prospectus on MassMutual's participant website, <http://www.retiresmart.com>. For more information about MassMutual Retirement Services, please contact your retirement plan advisor or call MassMutual at 1-866-444-2601.
