

WHAT IS THE SIGN OF A GOOD DECISION?<sup>SM</sup>

It's a plan for your participants to retire the way they hoped.

Without the proper tools and data, how can you evaluate the health of your retirement plan? MassMutual leads the way in measuring retirement plan health — analyzing the likelihood of participant success and identifying necessary adjustments for a positive outcome. Working alongside plan advisors, we combine our industry-leading data capabilities with award-winning plan reporting and participant communications to deliver plan sponsors a more holistic, easily understood approach to retirement. And as a company with financial strength ratings among the highest of any company in any industry,<sup>1</sup> we can further invest in the tools and technology that help you and your participants make the right decision at the right time. **To learn more, call your retirement plan advisor or contact MassMutual at 1-866-444-2601, [MassMutual.com/RetireStrong](http://MassMutual.com/RetireStrong)**

We'll help you get there.®
