

WHAT IS THE SIGN OF A GOOD DECISION?®

It's knowing your defined benefit plan assets are secure and your funding requirements are predictable.

MassMutual has been serving the defined benefit retirement plan market for more than 65 years. With our comprehensive offering, including fiduciary risk management and Total Retirement Services for active, frozen or terminating plans, we can help more accurately predict your plan's funding requirements over time and streamline your plan administration. Put your mind at ease by consolidating your plan needs with one experienced provider — one with a history of financial strength ratings among the highest of any company in any industry.¹ Let MassMutual's integrated, consultative team approach help you achieve a risk management strategy you can count on. **For more information, please call your retirement advisor or contact MassMutual at 1-866-444-2601, MassMutual.com/DB**

We'll help you get there.®
