

Important information

- This form should be used to transfer Account Value between Separate Account Divisions and the Guaranteed Principal Account (GPA).
- The requested transaction will take effect as of the Valuation Date we receive this form in **good order** at our Administrative Office.
- Transfers must be indicated in Dollar Amounts or Whole Percentages, but not both.
- You may maintain Account Value in a maximum of twenty-one (21) Separate Account Divisions and the GPA at any one time. If you want to transfer Account Value to a twenty-second division, you must transfer 100% of the Account Value from one or more of the twenty-one active Separate Account Divisions.
- Transfers from the GPA are limited to one per policy year and must occur within the 31-day period following your policy anniversary date. The transfer may not exceed the lesser of 25% of the non-loaned GPA Value at the time of the transfer; however, if in each of the previous three policy years 25% of the GPA Value has been transferred and there have been no premium payments or transfers to the GPA (except as the result of a loan), 100% of the GPA Value may be transferred to the Separate Account.
- There is no limit on the number of transfers a Policy Owner may make; however, MassMutual reserves the right to charge a fee not to exceed \$10.00 per transfer if there are more than six transfers in a policy year.
- All transfer requests are subject to the limitations on frequent transfers and excessive trading imposed by us and by the funds underlying the Separate Account Divisions. We reserve the right to restrict or reject any transfers. Refer to your Policy and Prospectus for further details.
- If the Fund Transfer request is for a subset of Insureds under the Contract, attach a census with the Insureds and Policy Numbers listed.
