Who we serve

Market presence

Our leading expertise and reputation in the institutional markets comes from developing comprehensive solutions that deliver results for a wide variety of entities. Experience how our team can provide institutional solutions to help your organization.

Innovative solutions to address today's complex challenges

We tailor our resources to develop integrated protection, investment, accumulation and de-risking solutions for your business. Put our vast experience, multi-disciplined team and consultative approach and talent to work for you.

The complex and evolving financial needs of your business demand customized, sophisticated solutions. Developing the integrated, institutional strategies to help address these needs requires a breadth and depth of knowledge, marketplace presence and a spectrum of interdependent disciplines that only a select few can provide.

Our experienced, multi-disciplined team works with you and your advisor to understand the financial intricacies of your business. By developing a keen understanding of your institution's goals, we operate as an extension of your team to help advance your mission.

By leveraging our extensive experience with institutions of varying sizes and industries, we provide thorough and strategic insights to help you meet your financial needs, goals and vision.

You benefit from:

- Dedicated teams with extensive insight in select markets
- Customized solutions, tailored to your specific needs
- Financial strength and investment expertise of a market leader

Institutional Insurance

**Expertise and leadership
for a dynamic market**

Properly structured life insurance solutions can help you manage the business risks associated with the loss of highly compensated key employees, and serve as a tax-efficient balance sheet asset. Your company can benefit from our institutionally priced solutions to offset costs associated with employee benefit programs, including retiree health care and non-qualified benefit programs, designed to incentivize key executives.

Working with specialized distribution relationships, our full-service team of professionals deliver Bank-Owned Life Insurance (BOLI) and Corporate-Owned Life Insurance (COLI) solutions to meet the benefit funding, insurance, and asset-diversification needs of a variety of institutional businesses.

A long-time leader in the institutional insurance market, MassMutual has delivered a broad spectrum of life insurance solutions with exceptional expertise and service.

Pension Risk Transfer Solutions

Group Annuity Contract pension plan de-risking solutions

At MassMutual, we offer plan sponsors and pension plan professionals confidence by helping ensure their fiduciary duties and pension obligations are satisfied. As a mutual company run for the benefit of its participating policyowners, we offer confidence through our **enduring financial strength**, our annuity solutions expertise, and our passion for helping people secure their future and protect the ones they love.

As one of the largest mutual companies in the group annuity pension risk transfer services market (PRT), we are afforded a long term and strategic approach to our business. Paired with our leading **financial strength**, and commitment to the PRT market, we continually invest in our products and our people.

Since 1851, our focus on the long-term has helped us provide financial security to millions of people and for more than 35 years, we've extended that focus and annuity expertise through our PRT offering.

As part of our passion for helping people, we choose to maintain proprietary administrative services. We believe owning our administrative processes helps us ensure we can offer competitive and customizable solutions paired with exceptional annuitant experiences.

Mutuality matters

MassMutual has built its success by staying focused on what matters — earning our clients’ trust and delivering solutions to help meet their complex financial needs — while maintaining financial strength and stability for the future.

As a mutual company, Massachusetts Mutual Life Insurance Company (MassMutual) doesn’t have shareholders. We do business with the long-term interests of our clients in mind and are not subject to the expectations of Wall Street analysts or stockholders.

Our investment management strategy is built on diversification, prudent security selection and value. Because of it, we’ve been able to achieve solid long-term investment returns — even in unpredictable markets and challenging economic times. Financial strength ratings are a key indicator of a company’s ability to meet its financial obligations.

MassMutual financial strength ratings are among the highest of any company in any industry.
