Performance shown is past performance and is net of expenses, and assumes reinvestment of dividends and capital gains (if applicable), but before any applicable contract or plan charges. Past performance is no guarantee of future results. Current performance may be lower or higher than return data quoted herein. The investment return and the principal value of an investment will fluctuate; so an investor's shares, when redeemed, may be worth more or less than their original cost. Investment portfolio statistics change over time. Returns shown do not reflect the impact of plan fees, which will reduce performance. Investment portfolio statistics change over time. Investors should carefully consider investment objectives, risks, charges and expenses. This and other important information is contained in the fund prospectuses and summary prospectuses, which can be obtained from www.massmutualfunds.com and should be read carefully before investing. The investment is not FDIC-insured, may lose value, and is not guaranteed by a bank or other financial institution.

These materials and the platform of investments made available by MassMutual are offered without regard to the individualized needs of any plan, its participants, or beneficiaries. These materials are not intended as impartial investment advice or to give advice in a fiduciary capacity to any plan.

Investments in Money Market funds are not FDIC-insured, nor are they deposits of or guaranteed by a bank, corporation or any other government entity. Although the Funds seek to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in a Money market funds.
