

# Equal Employment Opportunity Policy

Date Revised: 04/06/2022

Acting ethically, with integrity and in compliance with applicable laws is not only the right thing to do, it is how we do business. Company policies define the requirements that govern your conduct. As a company, we are committed to maintaining a nondiscriminatory work environment where all individuals are treated with fairness and respect, and are provided the opportunity to reach their full potential.

## Applies To

This Equal Employment Opportunity Policy ("Policy") applies to employees of the following companies (collectively "MassMutual"), including when acting on behalf of other MassMutual subsidiaries:

This Policy applies to MassMutual employees who work for a MassMutual field agency or firm.

This Policy also applies to temporary or contract workers and interns ("temporary personnel").

## Equal Employment Opportunity

MassMutual provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, marital status, citizenship status, ancestry, status as a protected veteran, or any other protected classes in accordance with applicable federal, state and local law. MassMutual complies with applicable federal, state and local law governing non-discrimination in employment in every location in which the company conducts business. EEO applies to all terms and conditions of employment, including, hiring, placement, promotion, discipline, termination, leaves of absence, compensation and training.

MassMutual also has affirmative action programs designed to achieve equal employment opportunity for minorities, women, individuals with disabilities and protected veterans. Human Resources is responsible for the design, implementation, communication, and monitoring of affirmative action and other equal employment opportunity programs.

## No Retaliation

This Policy has the full backing and support of senior management, including the CEO. MassMutual will not tolerate intimidation or retaliation against employees who in good faith file a complaint or against employees involved in an EEO investigation.
