

MassMutual Announces Mutual Fund Closure

The Board of Trustees for the MassMutual Select Funds has approved a plan to close and liquidate MassMutual Select Small Company Growth Fund on or about September 28, 2015. The Trustees made this decision because the Fund did not attract sufficient investor assets to sustain its viability.

On July 1, 2015, MML Investment Advisers, LLC, investment adviser to the MassMutual Select Funds, filed a supplement to the Fund's prospectus and summary prospectus (both dated April 1, 2015) pertaining to the Fund closure with the U.S. Securities and Exchange Commission. MassMutual will communicate directly with clients who are currently invested in the Fund about possible courses of action they may wish to take either prior to or when the Fund closes. The MassMutual Select Funds are available to retirement investors mainly through MassMutual-administered retirement plans.

Retirement plan participants may access a prospectus and summary prospectus on MassMutual's participant website, <http://www.retiresmart.com>. For more information about MassMutual Retirement Services, please contact your retirement plan advisor or call MassMutual at 1-866-444-2601.
